Email Address:	
<u>Employer:</u>	
Mailing Address:	
City:	
Province/Postal Code:	
Supervisor's Full Name:	
Supervisor's Phone Number:	
Supervisor's Email Address:	

Each application is to be submitted with a payment of **\$100.00 plus GST/HST**, made payable to **Canadian Utility Fleet Council**. An officer of the applicant's employer must sign the space below, indicating the applicant meets one of the qualifying criteria.

Qualification Criteria

- A) Hold a valid Provincial Mechanic's License (or equivalent) in automotive, truck and coach or heavy duty equipment, and further, have a minimum, of two years dedicated practical experience on utility type equipment.
- B) In the absence of possessing a valid mechanic license (or equivalent), the applicant must, at minimum, have 5 years experience actively servicing, inspecting and repairing utility type equipment.

Applications for examination will require photocopies of valid mechanic licenses, Engineering Degree or Technologist Degree and a letter from the applicant's employer, attesting to the industry experience, including the completion and sign off of tasks indicated with a criticality of three or higher in the "Utility Fleet Mechanic Learning Guide". Any detected falsifications submitted will result in the applicant being declared ineligible until such time as approval is granted by the "Canadian Utility Fleet Council Steering Committee".

This will certify that the applicant meets qualification criteria A or B (circle one)
